

Grade Book

Keep up with how your child is doing in school. It is as easy as 1,2,3.

Go to Parent Connections on the NISD homepage and then click Create Account.

This is step 1 on seeing your child's grades.

2. Follow the lead. You will need your child's STUDENT ID and a pin number. You are almost there. 3. Put in an email for verification code. Set up the account and then watch them grow.
